THE returns of the Census taken on the 4th 1874. Nearly every other nationality shows a the junk. The Letty Gales was a bank of 475 December last have been published. As we decrease, especially amongst male idults. There tous, three years old, and was insured. She anticipated, they toweal a considerable increase in the total population of the Colony. Census returns in 1872 showed that the whole has grown in four years to 139,144, an increase of 17,159. The major portion of this increase is as might easily have been foretold tion of Victoria is put down at rimety thousand, it has three times the number of fishing boats to Frederick Reysolds relates the number of fishing boats to Price of the pric

and for Kowlean 832. The Duroman and American residents show an increase in numbors of 247, but this is, Mr. Tonnochy says, Bololy attributable to the number of Portuguese who have flock here from Macao since the partial destruction of the Holy the City by Typhoon and fire in 1874 Newly FIFTEENTH YEAR of its existence, bus been overy other, nationality shows a decrease, compiled from the BEST and MOST RELIABLE especially amongst male soults. There are to now eighty-she British, twelve German. twolve American, and ten Danish indle adult residents less than in 1872. The total European and American population inclusive of the military, the maral establishment, shipping in harbour and temporary residents, was 7,525, and that of Indians and people of mixed blood 1,451. Deducting, however, the paval, military, temporary, and floating population, the total number of European, American, Indian, and others not Chinese amounts to 3,952. A great variety of religious provide in Hongkong, the Church of England, the Roman-Gatholits, Prosbyterians, Luthernus, Independents, Buptists, Quakers, Jews, Cameronians, Christadelphians being represented among the Europeans and Americans. The Roman foreign population, and Protestantism by. 847 > Altegother the Census returns demonstrate that, while the general presperity of European residents is slowly diminishing. The simple explanation of this fact is that a cortain proportion of the trade is lapsing into has long been only too apparent

VARIOUS Consular officials were, it was understood, to be deputed to see that the Imperial produmation in re the Yunnan outrage is properly posted in the principal cities and towns of the Chinese Empire. On the effectual performance of this imvention a great deal, of course, depends. will not be at any pains to see that the deinterest to evade it, and they will post it in one single place more than tion is duly posted. In several cities they wailable for appropriation. have, it is well known, made inspection and the more remote cities and towns the stipula. \$62 507.60. tion-will-be tholly shirked. "No. no: I can't sleep yot: I must think thus to escape both from the Cossacks and the of those who are wonder. His face was turned towards the west, in Three men, belonging to the French. the direction of France. cavalry, were huddled round a feeble fire "My friends," he continued, addressing

"male of a heap of brambles, which they had both the faithful soldier and the captuin with difficulty wrenched from the grasp of you will no doubt survive me, and you will preserve my memory. Well! listen-I connear as possible to the flickering flame—the ide to you my last will; I commend my wife ishrinking back. men crouching with their logs crossed and and child to your guardian care." the horses gazing kpon the fire with lowered

Felipone and went on-"I have left yonder, in our dear France, witerof nineteen years and a new-born child Soon, perhaps, the wife will be a widow and the childan orphan.

"Armand! Armand!" said the captain do not speak thus you will live!" Oh! I would live! he murmaned and see them both again.

The colonel's eyes sparkled as if the ver thought of this hopelessjoy gave him pleasure But," he added, "I may die, and in that case the widow and orphan would need pro- back to earth, where he held him prisoner. "Ah | colonel," cried Bastien; you know

tingtion of colourle, captains or private solwell enough that if anything happened to you your hassar would give his life second by second, and his blood drop by drop, for the from the fierce breath of the North more sake of his colonel's wife and child. "Thanks!" said the colonel, "I shall con-

fide in you." Then be looked at the Italian.

The captain shuddered, and a cloud passed More fortunate than his chief, the captain brother!

at these words, but the colonel did not notice | undying love | Fool ! feel ! Wolf, my dear

know that we agreed to leave the choice to awake !! her. - More fortunate than you, I was the And the captain planted the muzzle of the elect of her heart, and I thank you for having pistol on the colonel's forchead.

accepted your sacrifice, and still remained the The latter moved by the instinct of selfaccepted your sacrifice, and still remained the friend of him who was your rival. - It was

the ground. A deadly pallor had taken the asked the colonel of the Italian captain. "I place of the crimson on the brow and if his interlocutor had not been over powered by the _____ It's of no use, my dear polonel-you must terrible mixture of mental and physical pain stop here." he was then enduring hexaust have perceived "Coward!" gasped At that a violent struggle was going on in the sparkling with contempt heart of his Italian friend...

"If I die, you will marry ber! There!" breast and took out a scaled packet, which world will see the weeping for your memory, he brided to Felipons.

"That is my will," spid he; "I wrote it at ments of society." the beginning of our unbappy campaign an actualed by a strange presentment. By the colonel, who was now powerless beneath that will, comrade, I leave you half my fer, "Bastien is right," he answered. "We tune if you consent to marry my midow." Pale as he was already, the captain now of the faithful Husser. became livid; a nervous trembling seized. The ball shattered theskull of the unfortuhim, and he-took the will with a shaking nate man ; and the fragments of his brain will go out, and then there will be no one hand.

Tan cold, repeated the colonel with "Let'us give him's few hours' sleep," said

grily, as he belied the Italian to lay the colonel close to the fire, and cover him with scraps of clothing and whatever else they Bastion, with his eye find on his muster

Look care that not a spark or a cindor should As for the captain, he all with bie lioid in

This man, from whom the colonel enter-

Feripone had been made captain rather by the force of groumstance, in a time wheh death made many vacancies, than through hi

E-lipone and Armand had been friends for

From that day Religions swore to bate bu friend with that violent and terrible batred which can only be born in a Southern heart placable and mortal, waiting to burst forth at the first favourable opportunity. Twenty times during the campaign Felipone had contrived for Armand to be in the thick of the fight; and he had no tomer done this than he hastened to preserve him, hoping that one

The time now seemed to be at hand. Feli poue thought over his plans while Bastion "The madman!" he mused; "he has

"That man is in my way," he said to

"I am looking to see if the priming of my pistols is all right. With this internal enov about you can never recton on their being dry, and if the Cossack should come would be awkward to miss fire.

"Very clay Lyou think it a "That's m

As be said this the aptain levelled his "What are you doing ?" cried the Eussar, "Taking aim at the heart," answered Fi-

He held out his hand again to Captain lipone deliberately; "I have no wish le pain And he fired, adding:

> the worse longou. The flash illuminated the sky, and the ra port rolled over the plain, along with a wailing cry that escaped from Bastion as he fell The report and the greawoke the colonel, who thought the Russians were up in them. He rose hurriedly from the resting place Bustien had made, but Filipone, who had the other pistol in his hand, suddonly knolt on the colonel's breast and thrust him forcibly

The colonel, stupefied by the unexpected Frolic outrage, could then see that his assailant was Growler none other than Felipone, whose face glamed | Hart with a ferocious smile—a mile which revealed with the rapidity of lightning all the baseness, all the cruelty all the infamy of the man in whom Armard had trusted.

"And you, my old comrade, my friend, my have been foolish enough, Colonel Armand de. Kergaz, to believe in the riendship of the man from whom you stole the woman he loved; and you have been madeneugh to magine had been received by the colonel's last words. that he would forgive you! You have pushed Nessan "Thus bast said." he answered; "am I your folly and stupidity to far as to make a Sheldfake not your old comrade, your friend, your will begging this dear friend to marry your swinger widow and accept half your fortune And " Well-if I die," continued the colouel, then you fall quietly asleep in the hope of Bustle you will be the support of my wife, the waking again with hope and strength of seeing the dawn of better lays and ofrejoin. A bright flush o erspread the captain's face ing your wife and child, those objects of your boy, you are not going to see them again, and "I know that you loved Helens, and you you are going to sleep once more, never to

preservation, struggled to free himself from the villain's grasp and to throw off the knee Chan-tang The aptain's eyes were directed towards which still pressed upon him. But Felipone held him nailed to earth, and

"Coward!" gasped Armand, his eye

"Be easy," sneered Felipone; " your wish will be accomplished. I will wed your widow, As the colonel said this he opened his I will wear mourning for you, and the I am a man, who likes to observe the retwire-The pistol still touched the forehead of

> the Italian's suge and the captain fired with the same couldes us be lad dondin the case covered the muitarer's hands. Bastien by close by if a sea of block and
